

# ADVANCED SCAFFOLDING STUDENT JOURNEY

- 1. Enrol in your Course**

Book your course online or by calling our friendly customer service team. You must already hold an Intermediate Scaffolding HRW Licence.
- 2. Access your learning material**

You will receive a confirmation email which includes important information and login details for the Online Portal. Here you will access your pre-course material and complete your pre-course quiz.
- 3. Attend 4 Days of Training & Book into your WorkSafe QLD Assessment**

Theory, Practical Training & Practical Assessment Preparation. Your assessment date will be held within 14 days. We recommend using this time to study.
- 4. Receive your Credentials**

Once deemed competent you will be issued a Notice of Satisfactory Assessment (NSA). This document allows you to immediately erect, alter or dismantle a temporary structure within the scope of an advanced scaffolder.

You will receive a Statement of Attainment for the unit **CPCCLSF4001 Licence to erect, alter and dismantle scaffolding advanced level.**

You can apply for a high risk work (HRW) Licence or add a new licence class on an existing HRW licence at [worksafe.qld.gov.au](http://worksafe.qld.gov.au) using the 'Online Services'. This must be completed within 60 days. Your photo licence will be mailed to you directly and is valid for 5 years.
