

# ELEVATING WORK PLATFORM (OVER 11M) STUDENT JOURNEY

## 1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

## 2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal. Whilst optional, the pre-course learning material greatly assists your preparation for the course. If you are enrolled in the advanced course, you must complete your Activity Workbook prior to attending the course.

## 3. Attend Training & Book into your SafeWork NSW Assessment

Theory, Practical Training & Practical Assessment preparation. Your assessment date will be held within 14 days, we recommend using this time to study. **If you are enrolled in the advanced course, you are only required to attend on day 2.**

## 4. Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment (NSA). This document allows you to immediately operate an Elevated Work Platform (Over 11m).

You will also receive a Statement of Attainment for TLILIC0005 Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

You can apply for a high risk work (HRW) Licence or add a new licence class on an existing HRW licence at [work-safe.qld.gov.au](http://work-safe.qld.gov.au) using the 'Online Services'. This must be completed within 60 days. Your photo licence will be mailed to you directly and is valid for 5 years.

\*Post Office application fees apply.
